

Declaration of compliance with REACH and ROHS

In accordance with the information received from our suppliers, we ensure that the products we supply comply with the REACH and ROHS directives. We ensure the security of future product deliveries.

We are aware of the obligation arising from the REACH and ROHS regulations to inform about any changes to our products in accordance with the EU Regulation.

Please also note that in accordance with the current state of knowledge, none of our products doesn't contain chemicals according to the constantly updated by the EU list of candidates identified as substances of very high concern (SVHC = Substances of Very High Concern) in concentrations exceeding 0.1%.
